Discover the speed of Manulife Quick Issue Term!

We?re thrilled to announce we have a new Term product available ? one like you haven?t seen from us before!

Manulife Quick Issue Term? (Manulife QIT?) is the newest, and quickest, way to help grow your business.

Manulife QIT gives you:

- A quick online application and underwriting process ? your Manulife QIT application will be processed in jus

day in most cases, plus we send the contract right to your client

- The highest coverage amount in the industry today for a simple issue product ? from $100,000 up to and inclu

$500,000 letting you offer Manulife QIT to a broad range of clients

- Less intrusive underwriting ? no fluids and reduced medical questions for your clients

More about Manulife QIT

Learn more about Manulife QIT by visiting the new Product page onRepsource and once you?re ready to get you

off and running, simply log in to the online application tool under the ?Tools? menu. We?re also working to deve

tablet-friendly version which we expect to be available later this year.
